

Low-Volume "LD Series" Attachments

Light-Duty, low-volume handling with proven Liftomatic "Parrot-Beak" technology. Both LD-1 and LD-2 models work on steel, fiber and plastic drums. *If your operations handle 50-100 drums per month and you want to increase worker safety and productivity while eliminating drum and product damage, the LD series is definitely for you.* Automatic and mechanical operation. Units fit any forklift!

Move drums 1 or 2 at a time! **Works on all drum rims!** 18 Month-Warranty extendable to 24 months!

Adjustable "Parrot-Beak" heads allow for handling all heights of drums from 15-85 gallons!

Safety chain secures unit to forks of lift truck. No manhandling of drums ever required!

AVAILABLE OPTIONS

- Spark Resistant Jaws
 - Steel-It FDA approved paint
 - Optional Belt-Cradle for drum sidewall protection
- Ask about our world-class free trial policy! 88% of people who try 'em- buy 'em!**
